1. To organise the COVID-19 Community Challenge we will store any of your personal details we need in a locked Excel spreadsheet that will have a limited distribution among the organisers.
2. The spreadsheets and any emails containing your personal data will be deleted in February in the following year.
3. The COVID-19 Community Challenge organisers will not share any of your personal information with any other third party unless they have your consent.
4. We will automatically add your first and last name plus your email address to a database we use for sending emails regarding the event. Any information we send will be about current and future events. At any time you can unsubscribe from these emails by clicking on the link in the footer of these emails.
